

Design Document

Jonathan Yabes

Webpage:

1. **Index page** – will be lang landing page with introduction and showreel video.
2. **About page** – to provide detailed background about myself and share my skills.
3. **Portfolio page** – will showcase my works. Each sample will open in lightbox.
4. **Contact page** – where visitors can find my contact information or use the contact form to reach out.

GreenSock:

1. Logo animation – will implement a simple animation to add a touch of dynamism to my website.
2. Smooth scrolling

Gallery Functionality:

- Utilize lightbox functionality for the portfolio section. When users click on the a sample or project, it should open in a lightbox.
